"What really matters right now is collaboration. We have to support one another as an industry, sharing knowledge, connecting buyers and brands, and creating opportunities that don't necessarily cost anything, but make a real difference."
Kimberly Hugonnet, Womenswear buyer, Printemps, Paris

"Thank you to Scoop for its excellent curation of fashion collections at Olympia in London. The attention to detail is outstanding."
Melanie Press, Owner, Press, London

"Scoop has been the best trade show we have attended in a long time. The quality of customers aligns with our expectations with the best UK boutiques attending! Scoop has a fantastic atmosphere, Karen certainly knows how to put on a great show. The energy is buzzing!"
Juls Dawson, Just Consultancies EXHIBITOR

Scoop is always a really valuable place to buy. It gives you a strong overview of the season and allows you to see a lot of collections under one roof."
Deryane Tadd, Owner, The Dressing Room, St Albans

"I loved visiting Scoop International where we were able to see brands we already work with and new ones we have not seen before. We will definitely visit again"
Eleanor Taylor, Buyer Footwear and Belts, Oliver Bonas, London

Karen is a great curator fixing brands at the level we love for Harpers. It is always an eclectic lend, so that multi-brand boutiques can keep their individuality and find quality suppliers to work with."
Katy Solomons, Owner, Harpers, London

"We love the show because it is smaller than all the others and well curated. Most of the brands exhibiting offer a distinguishable style unlike most shows where there are too many brands offering very similar collections."
Josie Beeson, Owner, Abrahams Store, Kirkby Lonsdale

"It's always a joy to start my buying year with a trip to Scoop. I love the diversity of brand styles and welcome the inclusion of more accessory brands."
Karen Hockin, Owner, Liquorice Living, Tavistock

What's great about Scoop is that it allows us to preview collections ahead of our showroom appointments, as well as discover brands we wouldn't usually have the chance to see."
Gilly Aspey, Slate Clothing, Burford

"Scoop is a very well organised show, it was very easy to navigate around and see all the designers. Cant wait for the next one!"
